

Ms 911 Coordinators Conference 2021

911 TELECOMMUNICATORS

TRUE FIRST RESPONDERS

Dear Attendee,

For added fun during our 911 Coordinators Conference in October, we have decided to make our rock painting contest an annual event. Every Agency or Department attending can enter a painted rock of reasonable size.

THIS YEAR'S THEME WILL BE..... TRUE FIRST RESPONDERS
You can paint both sides if you like but do not paint the name of your county or agency on the rock. Please write the name of your department and County on the bottom where it cannot be seen during judging. A number will be placed beside each rock and you may vote for your favorite number during the conference. We all know someone who is artistic and can paint. Everyone get creative and use your imagination to represent your department and your county. Let's see some awesome rocks this year! Votes will be tallied and not only will you get bragging rights but a door prize will be given to the winning Department. The Winning Department will be announced during the banquet.

Good Luck and We Hope to See you there!
